We are keen to hear from members about the topics they would find most useful to discuss. By way of example, this could include ASB possession claims involving clients with complex mental health issues. **If you have a topic** you would like to see discussed, **please complete this online form** or follow the QR code by **12 November 2025** to suggest topics to be covered in this seminar.

The full programme for the conference will be available shortly. It will be another not to be missed event.

THE CONFERENCE WILL BE FOLLOWED BY A SOCIAL EVENT FOR CONFERENCE DELEGATES AND HLPa MEMBERS.
